**From Old English to Standard English: A Course Book in Language Variation across Time: Freeborn, Dennis, University of Ottawa Press: 9780776604695: mikhmon.us.to: Books**

The history and development of English, from the earliest known writings to its status today as a dominant world language, is a subject of major importance to linguists and historians.

**From Old English to Standard English: A Course Book in Language Variations Across Time by Dennis Freeborn, Paperback**

Comments on contemporary historical events accompany throughout. The book also now has a fully integrated supplemental website. This third edition has been expanded to provide more guidance and background information for students.

### **From Old English to Standard English : A Coursebook in Language Variation Across Time 3ED (P)**

From reader reviews: Jack Lau: What do you regarding book? He is the author of A Course Book in English Grammar and Varieties of English, both also published by Palgrave Macmillan. Those books are helping them to bring their knowledge. This new edition of the bestseller by Charles Barber tells the story of the language from its remote ancestry to the present day.

### **From Old English to standard English: a course book in language variation across time by Freeborn, Dennis**

The book is firmly based upon linguistic description, with commentaries forming a series of case studies which demonstrate the evidence for language change at every level - handwriting, spelling, punctuation, vocabulary, grammar and meaning. This practical course book explores the development of the language from Old English to the establishment of Standard English.

**mikhmon.us.to: From Old English to Standard English: A Course Book in Language Variations Across Time (Studies in English Language) (9781403998804): Freeborn, Dennis: Books**

The core of the book is a series of nearly 200 historical texts, of which more than half are reproduced in facsimile, exemplifying the progressive changes in the language.
