Swizzles

Lemon Hart 151 and Angostura 1919, which is how it got the name Twenty Seventy. Top with more crushed ice and swizzle some more.

Glass Swizzle Sticks

Typical glassware is either a or glass, but there are specific-use available as well for a more dramatic presentation. Immerse the blades of your swizzle stick, hold the shaft between the palms of both hands and rotate the stick rapidly by sliding your hands back and forth against it.

Glass Swizzle Sticks

A smooth surface, a smooth edge, and a classic design that styles well with any style of coffee bar or café. I am truly grateful for the excellent service I receive from Purefold. I had no idea of the significance of the individual sticks.
