Puratae Review

That business model must be very profitable for the people who own it.

Puratae Review

The lack of transparency and outright lies — how programs like this gain any success is beyond me. I understand your embarrassment for getting involved with MLM.

It basically claims that whatever you want, you can achieve it with the MLM opportunity. Bottom Line 4 Our Bottom Line While this product is advertised as the best EPA supplement available on the market, the lack of testimonials and positive reviews is a reason for concern. Historically, both NuSkin and Synergy Worldwide emphasize recruiting over retail sales.

When properly understood, the typical MLM Earning Disclosure shows that the vast majority of distributors lose money. Once Amway was determined not to be a pyramid scheme, the floodgates were open for thousands of companies to exploit the courts ruling. I bet if they turned this into a true affiliate program they would make a lot more money.

The early Puranas were probably compiled by upper-caste authors who appropriated popular beliefs and ideas from people of various. This

means the person making the sale earns a much smaller piece of the revenue generated by the sale.
