Christie's announces highlights from its Classic Week in New York

The studio was an old felt factory, with remnants of felt still lying. Moreover, cropping these relative newcomers to the classical Hall of Fame at the waist makes them appear to be rising from the gravity-bound domain of the real world below the frame, just beginning their arduous, stepwise ascent to the most idealized heights of classical perfection. The unit was stationed at Valley Forge during that terrible winter that came to symbolize the extreme suffering that many Continental soldiers endured in support of the cause of independence.
