### The status of Palestinians in Israel: 1948

Thousands lost their land and their homes. Those initiatives included: the Safer Cities Programme to promote deeper understanding of the phenomenon of violence against women in an urban environment; the local-to-local dialogue to empower women to address gender equality issues with local authorities; the Gender and Global Land Tool Network to develop affordable, pro-poor and gender responsive land tools; and a programme on empowerment of urban women entrepreneurs through housing development and land rights.

### A Warm Welcome for Some: Israel Embraces Immigration of Jewish Diaspora, Sharply Restricts Labor Migrants and Asylum Seekers

This research brings up the voices of the female Palestinian community social workers who practise community work in Israel.

### RURAL WOMEN FACE PROBLEMS OF DISCRIMINATION AND MANIFOLD DISADVANTAGES

A hundred and sixty-two participants in the control group were recruited from Nablus, the area outside the Camp. For example, although many women who were imprisoned were glorified during their incarceration, soon after their release they often faced social obstacles, including not being able to marry or find employment.

### A Warm Welcome for Some: Israel Embraces Immigration of Jewish Diaspora, Sharply Restricts Labor Migrants and Asylum Seekers

Since the erection of a fence along the Egyptian border in 2012, only a tiny number have been able to cross the border. There is a statistical difference about awareness of women's worth, roles, obligations, and rights between people living in the Balata Refugee Camp who have socialized with the Norwegian students over the course of six sequential years Balata Refugee Camp and a comparable group who has not.

**Who said Palestinians are victims of “a second holocaust” and Netanyahu is “the ugly face of Mussolini and Hitler”?**

In *Immigration to Israel: Sociological Perspectives*, 51-92, eds. Consequently, both Hamas and Fatah remain in a position of weakness and are struggling to sustain their power.

## **Palestine**

Editorial Germany, the largest European country, emerging from under the rubble of the 2<sup>nd</sup> World War, wounded and ruined, accompanied by and sometimes traumatized with memories of its darkest era of history under the Nazi Regime, succeeded to recover and become the strongest economy in Europe. They prevented the election to municipal councils of Palestinian candidates viewed as hostile, and even of candidates of Zionist parties other than Mapai. Consequently, the debts migrants incur to finance their move have been dramatically reduced, and so has the time needed to repay them.

## **Keeping Palestinian Women in Israel on the Economic Margins**

In the mid-1990s, the number of Palestinian women working in Israeli textile factories. Those women were exposed to gender-based violence as well as trafficking, abusive labour practices, racism and discrimination at every stage of the migration cycle. The majority of them and their descendants are still refugees.
