'Family' Vocabulary in French

In extreme cases, engaging in acts that are deemed to tarnish the honor of the family results in.

French Family Vocabulary

The school catches 18-year-old Romain video taping himself masturbating in class and suspends him. Child marriages are often arranged between the families of the future bride and groom, sometimes as soon as the girl is born. Within this broad definition, five subtypes can be distinguished — physical abuse; sexual abuse; neglect and negligent treatment; emotional abuse; and exploitation.

What does famille mean?

This 'family as haven' image of a refuge from an impersonal world characterizes the family as a place of intimacy, love, and trust in which individuals may escape the competition of dehumanizing forces in modern society. The family of choice may or may not include some or all of the members of the family of origin.

Famille

A Seneca man's effects were inherited by his sisters' children rather than by his own children.

Famille Perrin

At Restaurant des Familles, you will encounter a unique dining experience perfect for romantic dinners, group celebrations or an outing with the family. Polyandry was traditionally practiced in areas of the Himalayan mountains, among Tibetans in , in parts of and in parts of northern. In some European countries the changes that lead to gender equality were slower.
