**Indigenous Influence on the Spanish Language**

This analysis fits within a view of the grammar-lexicon division as gradual rather than absolute<sup>12</sup>. Therefore, by analogy, the following categorization is assumed to hold across all three languages: Table 3.

## Limba rapa nui

The volume is divided into two sections according to geographical principles: section I is devoted to contacts of Spanish in Latin America.

## Indigenous Influence on the Spanish Language

Soon, it became clear that the general topic of our conference defines a promising new field for researchers.

## Hispanisation by Thomas Stolz, Dik Bakker

Hence the ungrammaticality of 5d. For example, the agglutinating nature of Quechua allows for a straightforward incorporation of Spanish lexical roots into Quechua slots. Seven informants produced individual samples in seven recording sessions.

## Chamoru

Our conference marks the starting-point for largescale comparative work on Romancisation processes which will also have positive repercussions in the field of language contact studies in general because besides previously unknown fresh data the papers contribute to developing an over-

arching theory of language contact. It almost always occurs clause initially and is always followed by the neutral aspectual he + noun or he + verb.

### **Lingua rapanui**

Today the use of Spanish phonemes has been thoroughly extended to those in their twenties, probably the last generation 30 José Antonio Flores Farfán that will speak Nahuatl in AG, unless a dramatic change reversing ongoing language shift occurs cf. It is emphasized that one can draw far-reaching conclusions from the presented borrowing facts for the theory of language contact in general. Martina Schrader-Kniffki discusses Spanish-Zapotec contacts and their relations to language mixing and purism.

### **pascuense : définition de pascuense et synonymes de pascuense (anglais)**

However, the following concrete universal Moravcsik 1978 is of particular importance to the discussion of the incorporation of Spanish prepositions into Media Lengua: Spanish prepositions in Media Lengua: Redefining relexification 4 127 Prepositions are always borrowed as prepositions, and never as postpositions. José Antonio Flores Farfán studies modern varieties of Nahuatl which are characterised by massive Hispanisation. Lachlan 1992 English spatial prepositions in Functional Grammar.
