BOOK EXCERPT: Dave Dempsey weaves the natural character and phenomena of the Great Lakes and stories of the schemes, calamities, and unusual human residents of the Basin with the history of their environmental exploitation and recovery. The premises and principles of a multimodality pilot treatment program of the Illinois Narcotic Advisory Counsel are discussed. Manufacturing continues to employ high-skilled

workers, and new work can be found in suburban service jobs, but the urban plants that used to employ legions of unskilled men are a thing of the past.
