He kept the Star independent in politics, praising or rebuking policies and acts, not parties. What if, he asked, the break in was a false flag operation? At least some departments of the District government are still in receivership, I believe, to underscore this proposition. The French Foreign Office points out that In taking this stand it Is only following out the traditional French policy in Hayti, and explains that General Nord Alexis himself, when he was a revolutionist, once sought and ob tained from France the same protection that France Is now giving the men who sought to usurp his position and power.
