Ozymandias Poem Summary and Analysis

She's a lovely poet but a little dated, and very East Coast style.

16 Snow Poems

You can see the peonies and daisies, smell fresh cut hay, and feel the cold bite of winter or warm of spring and summer. Others may love her poems, which I can completely understand; she does capture moments well. I find it so interesting that most are not new poems, about her illness and death, which is tragic, because it seems like we could have learned desperately needed tools from her, about dying.
