## Round

Netanyahu, and hordes of other politicians worldwide, have treated the health of their own citizens with an unbearable lightness, failing to grasp the obvious: Without health there can be no economy. New international bodies have to be established to innovate in the fields of medical equipment, pharmaceuticals and epidemic prevention.

## Ratt: Round and Round (Video 1984)

Behind the mixture of drastic measures and amateurism with which the corona crisis has been managed in Israel is a health care system that has been sorely neglected. And this world can only be built collectively, by the joint efforts of corporations and the state. Stand and face your partner.

Freedom, the modern value that trumps all others, has been suspended, and not because of a new tyrant, but because of fear, the emotion that overrides all others. Social intercourse has become vicarious.

## Til The End Of The World Rolls Round

Agency for International Development, this epidemic is not the first of its kind, but it is something we can expect with greater frequency in the future. Our teepees were round like the nests of birds.

## Round vs. Around

We spent the whole day moving round some furniture in the bedroom. They are made using a variety of techniques and materials, resulting in a completely unique piece of art. Because the division between the two seemed so clear, I thought that round, as a preposition, was a contraction of around.

### **Round and Round (Shapiro/Stallman song)**

Caliguri received the ball 40 yards out from goal, and instead of passing it to a , beat one defender and launched a 30-yard shot that looped into the goal. This is just a preview! According to Dennis Carroll, a leading world expert in infectious diseases, who for 15 years led the pandemic department at the U.
