To put across his message about the conditions of black people in the sixties USA, Cleaver covers a range of topics such as: black consciousness, the Watts riots, soul food, the assassination of Malcolm X, Elizah Muhammed and the strife among black Muslims.

**“Soul On Ice” by Eldridge Cleaver**

The classic memoir that shocked, outraged, and ultimately changed the way America looked at the civil rights movement and the black experience. And while Cleaver was hardly the first person to fall in love with a white woman and write about it, he was the first black man to have written on said topic for a mass audience while in prison.

**“Soul On Ice” by Eldridge Cleaver**

Other times I felt certain points transcend time because though the faces of the people change, history has shown, people never really change.
