An Introduction to the Corpus Iuris Civilis

In servorum condicione nulla differentia est. It was a collection of all the imperial constitutions then in force. In potestate itaque dominorum sunt servi.

An Introduction to the Corpus Iuris Civilis

From the time of its promulgation it formed a crucial part of legal education in the most important schools of law, Berytus mod. Deși editarea acestora într-un volum fusese proiectată încă din vremea domniei lui Iustinian, noua culegere a fost publicată după moartea lui Iustinian. Careful scribes and printers were able to correct texts in which obvious errors were found.
