**Native American Death Rituals, Funerals & Burial Customs**

Yet Tacitus still mentions all the Germanic tribes celebrating Nerthus and the concept

of a sacred wood, so the Aesir pantheon was possibly a weak overlay in the heart of Vanir territory. In fact, just the opposite was true.

## Do Navajos Have Certain Religious or Burial Practices?

The western Scandinavians were likely a majority I1 population in the Mesolithic.

## Jazz Origins in New Orleans

A guidance counselor by training, Browne is active in helping emerging Native American writers hone their skills and find outlets for their work, serving as a mentor in the Wordcraft Circle of Native American Mentor and Apprentice Writers. Following the ritual she is accepted into the community as an adult and is ready for marriage. Quinceaneras are a debut, a formal introduction of a girl into society on her 15th birthday.

## Angle

The platter was already a century old when buried at Sutton Hoo, and reflects East Anglia's long-distance connections. Most important among them are a group of anthropomorphic deities, and especially Changing Woman or Spider Woman, the consort of the Sun God, and her twin sons, the Monster Slayers.

## traditional culture

The Navajo Indian Irrigation Project NIIP is projected to irrigate 110,000 acres of cropland from water impounded in the upper River basin, using

open canals, pipelines, lift stations, and overhead sprinkler systems.
