How Italian fascists succeeded in taking over Italy.

Considering that in many places certain groups of Jews are installed in conquered countries, exercising in an open and occult manner an influence injurious to the material and moral interests of the country which harbors them, constituting a sort of state within a state, profiting by all benefits and refusing all duties, considering that they have furnished and are inclined to furnish, elements conducive to international revolution which would be destructive to the idea of patriotism and Christian civilization, the Conference denounces the nefarious action of these elements and is ready to combat them.

National Fascist Party

Mussolini's idolized him as the nation's saviour and the Fascist regime attempted to make him omnipresent in Italian society.

The Rise of Fascism

At least in its overt ideology, the Nazi movement believed that the existence of a class-based society was a threat to its survival and as a result, it wanted to unify the racial element above the established classes, but the Italian fascist movement sought to preserve the class system and uphold it as the foundation of an established and desirable culture. The Nordicist direction of Fascist racial policy was challenged in 1938 by a resurgence of the Mediterranean faction in the PNF.

Fascism

Mussolini's Last Republic: Propaganda and Politics in the Italian Social Republic R. The manifesto was authored by and movement leader. The regime held an alliance with within the between Germany, Italy and Japan.

What Is Fascism? What to Know About Its Brutal Origins

It is a feeling, not a reality: ninety-five percent, at least, is a feeling. Most of the Blackshirts were members from the Fasci di Combattimento.

Fascism Quotes (478 quotes)

Italian Fascism is also associated with the post-war and subsequent Italian movements. Controversy rages as there is no consensus among scholars using competing interpretations based on revisionist, anti-Fascist, intentionalist or culturalist models of history.

Italian Fascism: An Interpretation

The Fascist regime abolished the teaching of minority German and Slavic languages in schools, German and Slavic language newspapers were shut down and geographical and family names in areas of German or Slavic languages were to be Italianized. The Central American leader who came closest to being an important domestic fascist was of who, during the 1940s, became a strong admirer of and advocated it following his ascension to the presidency in 1940. I traveled on many occasions to Italy as a teenager to visit my Italian relatives in Savona outside of Genoa.
