The Politicisation of the International Criminal Court by United Nations Security Council Referrals

Years ago it would have been considered unwise for powerful nations to put such a remark in writing lest it come back to haunt them.

Is the world's highest court fit for purpose?

Clearly, any perception of politicization of the Court would endanger its juridical integrity — something the Palestinians are indeed attempting to achieve with every complaint. Thus, there is a strong likelihood that decisions to refer a situation to the ICC are influenced by its political nature.

What is the International Criminal Court (ICC) and what is its relationship with the UN?

The ICC the International Court of Justice—the top UN court, which settles disputes between states and is also located in The Hague—in that it prosecutes individuals. It calls for Myanmar senior civilian military leadership to be investigated, including Commander-in-Chief Senior General Min Aung Hlaing. Historical Perspective Like many of the nations that gathered in Rome in 1998 for the negotiations to create a permanent International Criminal Court, the United States arrived with the firm belief that those who perpetrate genocide, crimes against humanity, and war crimes must be held accountable — and that horrendous deeds must not go unpunished.

In Hindsight: The Security Council and the International Criminal Court, August 2018 Monthly Forecast : Security Council Report

The International Criminal Court -- to be headquartered at The Hague, the Netherlands -- will be a permanent institution not constrained by these time and place limitations. Similarly, the assumption that the Palestinians can engage the jurisdiction of the Court vis-à-vis territories that are acknowledged by the UN to be disputed and pending final settlement, is no less legally flawed. These flaws leave it open for exploitation and politically motivated prosecutions.

In Hindsight: The Security Council and the International Criminal Court, August 2018 Monthly Forecast : Security Council Report

The ASP has also established an. Further, the then-UN Secretary-General, Kofi Annan, established a commission in October 2004 to conduct an

investigation on site. When will the Court have jurisdiction over crimes? There are some particular advantages to the Statute.

The International Criminal Court and the United Nations Security Council: Perceptions and Politics

A Flawed Outcome But the International Criminal Court that emerged from the Rome negotiations, and which will begin functioning on July 1 will not effectively advance these worthy goals.
