It helps to create an impressionistic image evoking various subjective impressions in the reader. The poetic idiom of the early epic works — belonging to the divan canon, shaped as it was under the strong influence of Persian literature — was not marked by the same stylistic elements as were characteristic of Turkish folk stories or of popular literature. Subsequently the so 34 This institution founded in 1875 to foster the scientific exploration of Africa and specially that of the Portuguese African Colonies was the institution that convened the 10th International Congress of Orientalists to Lisbon in 1892 and supported Oriental studies through publication of many works in this field.
