Voir Rapport pour jg 12, p. Et pourtant, quelle que soit l'âpreté des concurrences fran- çaise et étrangère, l'atelier familial pourrait et devrait subsister, tant il présente d'incontestables supériorités! In our golden age the face wears more often the shrewd features of some Hebrew financier. Completing such a project as internationalizing the Paris market, which monetary and political instability had for so long made merely a utopian dream, was still the aim of a policy subsequently and recurrently pursued, despite many temporary setbacks, through the active collaboration of the public authorities, the heads of great banks, and the chief financial intermediaries of the market place.
