John Hanson, the first President of The United States.

### George Washington: 10 Quotes From the United States' First President

Many schoolchildren watched from their classrooms. It seems reasonable to assume that the drafters understood that the Articles were to be something temporary and the whole concept of a proper form of government would be revisited when the war came to an end.

### George Washington's First Inaugural Address, April 30, 1789

During George's youth his father, a prosperous planter who owned more than 10,000 acres of land, moved the family among three properties he owned in Virginia. Beyond his role in crafting a model image of what the office of the President should be, he also set important precedents in how the President of the United States should lead the nation and interact with the other branches of government as well as with the sovereign states. Department of State Office of the Historian.

### George Washington unanimously elected first U.S. president

The Treaty of Tripoli, signed the following year, gave American ships access to Mediterranean shipping lanes in exchange for a yearly tribute to the Pasha of Tripoli. Journal of the American Revolution also produces annual hardcover volumes, a branded book series, and the podcast, Dispatches. There was no national leader.
