**Louis Agassiz (Agassiz, Louis, 1807**

Jar of fishes, from the Potomac Eiver; model of cod- fish hatching apparatus.

**Benjamin Franklin**

I cannot shut my eyes to the ugly facts before me.

**Louis Agassiz: His Life and Correspondence by Louis Agassiz**

Many models of boats, traps for securing animals, fishing apparatus, articles of clothing, and many other objects constitute the mass of the great collec- tion sent by Mr. Seaton, on behalf of the Executive Committee, presented a report on the financial condition of the institution, and stated that the report was complete thus far, and that the portion relating to the appropriations for the ensuing year would be presented at another time.

**Smithsonian Institution Archives**

Soon they had over 300 members from all walks of life, including students, merchants, doctors, lawyers, judges, professors, civil officers, bankers, and ministers. . As he sprinkled fish food over the pool he suddenly became aware that everything in his household had had its breakfast except himself.

**Benjamin Franklin**

Hereafter a man will not pass for a Mathematician or a Geologist, etc. Specimens of ftingi ; fh m Massachusetts. Climbing its left bank, they were

led by a short walk to the edge of a large crater, which held a beautiful lake in its cup.

**Louis Agassiz (Agassiz, Louis, 1807**

The Secretary presented to the Board a list of the names of gentlemen who had undertaken the labor and responsibility of examining memoirs and propositions submitted to the institution. All went in procession to the place where the monument is to be raised, and the magistrates of the city laid the first stones of the pedestal. .

**Benjamin Franklin**

He is a genuine and excellent botanist, and no mere collector like the majority.
