### Khutbah al

Translation of the above: Slaves of Allah! Transliteration : Bismillahi, Wal Ahamdulillahi, Was-salatu was-salamu 'ala Rasulillah, sal-lal-lahu 'alyhi wa sallam Translation of the above: In the name of Allah, and exaltations be to Allah, and blessings and peace be upon the Messenger of Allah, peace and blessings be upon him. So since the body is made of earth, in order to feed the body, we need to feed it with nutrients that come from the earth. And leave the major sins.

### Fazlurrahmān 1953

Can ALL the money in the WORLD purchase that happiness inside of you? Fear Allah as He should be feared, and die not except as Muslims.

### Fatawa

Once they reach there, they regret it.

### Iqbal Poetry of Khudi

In each and every thing that it does — in its sleep and its wakeful state, in its movement and its rest, in its eating and drinking and socializing — in whatever action that ANY living organism does — animal or man, inse or jinn, Muslim or Non-Muslim, male or female — there is but one ultimate goal.

### Iqbal Poetry of Khudi

And once you do that, it will become easier to go higher and higher and higher. Set it and collect blessings from Allah swt for the khayr you're supporting without thinking about it. I testify there is no God but Allah alone, without any partners, and that Muhammad, peace and blessings be upon him, is His servant and His messenger.

## **Khutbah al**

TRY your best to minimize the sins.
