Handbook for Farm Placement Service

You and your counselor will work together to make any necessary changes. Reference to commercial products or trade names does not imply endorsement by MSU Extension or bias against those not mentioned.

USDA

Employers should carefully draft these disclosures to include the flexibility necessary in an unpredictable seasonal agricultural operation. You will have the opportunity to consider different types of careers, your job skills, chances for employment in your local area, potential earnings, family responsibilities, training and other matters of importance to you and your family. Merit Promotion and Internal Placement It is U.

TSHA

Your counselor will also explain vocational rehabilitation services and answer any questions that you or anyone in your family may have. Most important, it depends on how much responsibility you take for helping yourself to prepare for, start or maintain a career. If this happens, please contact your local OVR office.
