Providing a Home for a Chinchilla

They can be kept as domestic pets, but are very shy animals and are not good with small kids. The cage should provide different climbing areas and also a sleeping box in an upper corner for privacy. Gradually, once they are comfortable with their environment and your presence, try offering them a treat from your hand inside of the cage.

Fun Facts About Chinchillas

To learn more about the requirements for earning a non-interactive CE certificate, please refer to. Feeding Chinchillas are relatively easy to feed, with a complete food in pellet form available from most pet shops and online retailers. Both species are listed as critically endangered by the International Union for Conservation of Nature because of a drastic population decline due to illegal hunting for the fur trade and reduction of habitat quality IUCN, 2013.

Harris, Jack C. [WorldCat Identities]

Make sure you let them know that there is an adoption fee attached. Chinchillas have needs like other pets, and as they have to live in cages, one that becomes important is the need for exercise. Remember: There is no guarantee that introducing chinchillas will be successful as all chinchillas are individual.

Sapphire Chinchilla

Maturity may be reached, though, as early as 5. The story of the sapphire chinchilla starts in.

Fun Facts About Chinchillas

The Way Chinchillas Talk 7. They can be the result of a brain problem, dietary deficiency, or some kind of injury.

Description and Physical Characteristics of Chinchillas

So, to weigh your chinchilla, place it in a bowl on regular kitchen scales each week and make a note of how much it weighs. They do not make good pets for small children, however, because chinchillas are hyperactive and high-strung. Efforts to Save the Chinchilla 12.

Introducing Chinchillas — Chinchilla Chronicles

Ladders, on the other hand, are a matter of debate for owners. He believes that learning a new language should be engaging and fun! Please include the course title, your full name, and contact information in your correspondence.
