Tunisia

Still, the declining score is the result of the constrained ability of the government to fund new infrastructure projects in recent years, on the back of slow growth in export revenues. Prospects for 1997 The stage seems set for an active programme in 1997, based on advances made in 1995 and 1996.

Tunisia's 2010 privatization program gaining momentum.

Other achievements in 1994 were limited mainly to a number of preparatory studies of several privatisation candidate companies and of specific sectors of the economy e. Protests flared on 19 February, with 40,000 protesters demanding a new interim government completely free of association with the old regime, and a parliamentary system of government replacing the current presidential one.

Tunisia Unemployment Rate

Better rains in 2003 and 2004, however, helped push GDP growth above 5% for these years. Translation from French: Ben Ali out On the same day, Ben Ali fled the country for under Libyan protection. According to the health ministry, field hospitals are scheduled to be established in several cities.

296 private tutors in Tunisia. Home teachers for academic, music, language lessons

It also made it mandatory for students of ages between 6—16 years of age to attain basic education training.

Competitiveness

The president is elected through a two-round system and must attain more than 50% of the total votes cast in the first round.

Private Investigator: Tunisia

This has caused total visitor numbers to decline steadily. My only suggestion would be that she speak a bit more slowly. The share of private

enrollment at primary level has been slowly increasing from 0.

Tunisia Unemployment Rate

Some of the innovative projects were the Mobile laboratories and Mobile Internet Buses connected to the internet via satellites to target schools in rural and remote areas so as to reduce the digital divide.

Tunisian Revolution

Teenager Project was launched that led to global classroom debates in cyber space. The first phase of the RFR includes the construction of the D and E lines — totalling 18.
