Full text of letters of Christopher Columbus : with other original documents, relating to his four voyages to the New

Marx never envisioned a tyrant ruling over the masses in the name of socialism. From this table it will be seen that the erroneous one himdred and thirty-eight leagues do not tally with the erroneous five himdred and forty miles ; but the most striking fact that this table presents to our notice is that the Dati poem is the only one of these documents that has the number right in both places ; and it might at first sight appear a very simple and easy thing for Dati to see that what was right mea- surement in the one case must be the right measure- ment in the other, even although the other copyists had failed to realise this fact. The suppression of the slave trade.

Cold War interventionism, 1945
