**A Treasury of Jewish folklore : stories, tradition, legends, humour, wisdom and folk songs of the Jewish people : Ausubel, Nathan, 1899**

Yiddish generations, celebrations, martyrdom, interfaith, interracial, bourgeois values, Jewish son's and daughters, and the meaning of how jokes discharge aggression, anxiety, conceal deeper repressed sexual meaning.

**A Treasury Of Jewish Humor by Ausubel, Nathan**

He certainly states his case in this wise, enlightening, and hilarious book that not only collects the best of Jewish humor passed down from generation to generation, but explains the cultural expressions and anxieties behind the laughs.

**A Treasury of Jewish Anecdotes by Lawrence J. Epstein, Paperback**

As well as songs and Biblical apocrypha. The problem with the book is that though the jokes are pretty good, I hardly laughed at all; I think Krasny isn't much of a joke-teller. But her brother is a doctor! More of it would be too much, less of it would be too little, this book is just the right amount of stories intertwined with relevant jokes, a delightful history of Jewish humour imbedded in the American culture.

**A Treasury of Jewish Folklore by Nathan Ausubel**

It is this latter aspect which I found very enlightening adding to a better appreciation of what was being presented.

**A Treasury of Jewish Folklore by Nathan Ausubel**

I found this book fascinating and enjoyable. And if I hear that one more time I am going to kill myself.
