Correspondence and Table

The house was now fuU in sight, and crossing a narrow, old, fantastic and broken bridge, I came by the back-way to the entrance of the garden.
August 29 publication date of F.

Scribner Chronology

The great doubt of Haydon was the head of our Saviour. Ann died in 1748 in Reading, England. She walks further into the room and finds him lying on the floor.

To Benjamin Robert Haydon

They miss in a picture the very thing they would not have left out, and hug them- selves with their fancied superiority. Haydon, maintaining they were the purest Greek, the work of Phidias, and far superior to any known works, Mr. There was also the Meeting of the Anti-Slavery Society, energetically treated, now in the National Portrait Gallery.

After six months with an accountant at Exeter, he was bound apprentice to his father, but his ambition to be a painter was not to be conquered.

3109. Robert Southey to [Benjamin Robert Haydon], 3 April 1818

With the month of June came no improvement of prospects, no diminution of pecuniary pressure. My employer, a noted Hadical, made me take this man out from the foreground, because he had once stolen sixty pounds from his employers.
