## Volume 89 Issue 5

Although unprecedented in its magnitude, conventional wisdom has it that the integration of refugees, expellees, and Aussiedler was a largely successful process in postwar Germany.

## Internet Curtains : A County Divided: County Hall Nottinghamshire

During the last twenty years however, this approach has felt pressure from two sources: cultural historical approaches, which stress microhistory and the construction of cultural transfer on the one hand, global history and transnational approaches with emphasis on connected history on the other.

## CAMERTON VILLAGE HISTORY Somerset Coalfield Coal Mining Mines Collieries Canals

This strategy worked, and by 1917 almost two thirds of the states had banned the manufacture and sale of alcohol. The Ethics of Seeing brings together an international group of scholars to explore the complex relationship between the visual and the historic in German history. Hitler's autobahn was more than just the pet project of an infrastructure-friendly dictator.

## Political and Social Reforms

It helped America to become closer to the land of freedom that we have always claimed to be, and helped us to differentiate from much of the more racist parts of this world. With German Americans prominent in the brewing and distillery industries, American participation in the First World War added allegedly patriotic motives to the calls for a constitutional amendment on prohibition. By 1900, however, women appeared in all manner of public settings, laying a foundation for change in the twentieth century.

## Volume 89 Issue 5

It examines the Lockout from the perspective of social and gender history, focusing on communal eating which was a central feature of community survival and resistance. A Brewer's Progress 1757-1957: A Survey of Charrington's Y Brewery on the Occasion of its Bicentenary. The History of Brewing in the Province of Quebec.

### **Politics and Society in Modern America**

This important and timely volume deals with the economic and political pressures and challenges of globalization and is particularly concerned with their effect on social policy, labor markets, environmental policies and technological change.
