Transfer of children and the importance of grandmothers among the Navajo Indians

Cousin terminology is of the Iroquois type, with bifurcate collateral parental generation terms, emphasis being placed on parental-generation matrilineal kin with parental-generation patrilineal kin being merged into one category regardless of gender.

Mary Thygeson Shepardson

Family, sense of belonging and helping one another is more than just a nice thing to do. The age-area hypothesis demands a sequential arrangement of the material, and when this shows a temporal progression in complexity, it becomes evolutionary.

Navajo Culture (Anthropology)

. Although the myths of the Navajo maker has already started creating people, in the world as the Navajo. As the Navajo tribe and Apache tribe have several groups of tribe in the bloodline.
