KSDZ

Foley agreed to run the Toy design company with the current royalty agreement be included in the new agreement. The facts of this incident were exaggerated into an that the theater was actually playing Twister during the tornado.

Twister (1996)

That accusation was probably because it was the first popular American game to use human bodies as playing pieces. Twister is known for its successful , featuring a Dodge Ram pickup truck and several other new vehicle models.

Twister

It is played on a large plastic mat that is spread on the floor or ground. On May 3, 1966 Johnny Carson, the host of the show, was enticed by the Twister mat and demonstrated the game along with Eva Gabor.

KSDZ

An out-of-court settlement in the form of 2.
