departure as opposed to a comprehensive blueprint: Focus Examine a subject from a rhetorical perspective. However, it can also show up in descriptions of body hair or body odor, flaking skin, or various other natural excretions.

Novel Alliances

In 1995, academic librarian-turned-romance writer Cathie Linz approached BPCL with an idea for an archive dedicated to the preservation and study of the romance genre. Yes there was a time when I confused fiction with real life. It has been said that astronomy is a humbling and character-building experience.

A close reading of this passage, however, shows that the river is not a privileged natural space outside of and uncontaminated by society, but is inextricably linked to the social world on the shore, which itself has positive value for Huck. As he goes, he finds animals, spirits, different beings with whom he interacts. In other words, you may need to cite the title, publisher, date, and pages of the work see.

For Linz, BPCL was the perfect location for an archive dedicated to romance writing that included not only the papers and manuscripts of romance writers like herself, but also to act as a repository for professional organizations such as RWA. Who we are reflects how we read texts.

Literary Criticism

The best thing you can do is be your totally disgusting weird self. Another failed mutation; another closed-end biological mistake. What are some of the literary texts that help to illustrate these cultural and environmental connections and concerns? I think it can be harder for people who are dominant in feminine energy to write transgressive fiction because so much of our work does reveal the human body—and most of the time our particular human body—in this way.

My classes offer a place for deconstructing and dismantling essentialist thinking about Africa. Writing in third-person perspective is handier when you have multiple supporting characters since it allows you to keep track of them. Like that day I found a box of original color samples for a comic from the 1970s that had been given to BPCL by Stan Lee.
