## 152. As I Sat Alone by Blue Ontario's Shores. Whitman, Walt. 1900. Leaves of Grass

The Australian education systems face difficulties resulting from increased population, the migration scheme and an increased social demand for secondary education. There is no ultimate term, and no definitive solution except in terms of further action. Here there still are spiritual verities which transcend the sweep of consecutive change.

## The Project Gutenberg eBook of The Place of Science in Modern Civilisation, by Thorstein Veblen.

Both of these productive processes mentioned above the transformation and transportation of originally raw materials which were simple processes in the obsolete cottage-system, have now become incomprehensibly intricate. ## Essentials of Economics

But in every other respect, they are diametrically contrasted both in form and in economic effect.

## Life Aboard

At present the cost of many goods is higher than it should be because some importers must buy licences from other importers who are not using them. He is not the seat of a process of living, except in the sense that he is subject to a series of permutations enforced upon him by circumstances external and alien to him.
