The Lost World : Jurassic Park

Highly entertaining don't get me wrong but he pushes more of his scientific views into the book. Instead — and I never would have expected this kind of mastery from Crichton — the horror elements are subtle, creeping into our self-conscious fear of these ferocious predators in an almost Hitchcockian style.

The Lost World: Jurassic Park Mini Storybook by Michael Crichton

Similar to other Goodreaders I don't really know why they brought Malcolm back. A new adventure in this exciting sequel to Jurassic Park. Maybe the film does suck, but I still like it, despite its many downfalls.

Lost World: Jurassic

On meeting the professor he is startled by his intimidating physique, but believes his ruse is succeeding. The Lost World book is actually quite good partially because it slows the pace down a bit giving the r I'm guessing many people might skip this book because of the movie of the same name.

The Lost World : Jurassic Park

Seeing through the masquerade, then confirming Malone's scientific knowledge is non-existent, Challenger erupts in anger and forcibly throws him out.

Lost World: Jurassic

The portrayal of the creatures, as in the first book, were accurate for the time, which I give him much credit for. In the beginning of the book Dinosaurs were being washed up on beaches in Costa Rica. .

The Lost World: Jurassic Park Mini Storybook by Michael Crichton

If you've seen the movie don't worry that you already know what's going to happen because your not. The book was only loosely related to the movie.
