## Doris Lessing

Thomas Carlyle David Gascoyne. The galactic empire Canopus, having won a war with its rival Sirius, offers generous terms of peaceful cooperation in which the Sirians are allowed to conduct evolutionary experiments in the southern hemisphere of earth, while the Canopeans pursue their own experiments in the northern hemisphere. Then, as she approached her 60th year, she conceived the idea of writing a "space fiction," which became "Shikasta," 1979.

## Bibliography

In 1953, the British government united Southern and Northern Rhodesia plus Nyasaland to become the Central African Federation.

## Lorna Sage

She translates the divided nature of the hierarchical society into the antagonistic narrative structure of the stories.

## LESSING Genealogy

This collection provides a comprehensive view of Lessing's observations and experiences in Africa.
