INTO THE STORM THE STORY OF FLIGHT 191

Today we're looking at three of the classic planes on a list that includes everything from Lindbergh's Spirit of St. Independence, MO: Herald Publishing House, 1990. In Dallas, she would catch a connecting flight to Mexico City.

Other daring pilots would follow Alcock and Whitten-Brown's lead, trusting the 12 horsepower, wood and fabric Vicker's Vinny to carry them across vast stretches of sky that had long been considered unreachable territory. They had both been ejected from their seats, with Welsh suffering a crushed skull and Hazelhurst a broken neck. Nice ride on this airplane, he thought.

Coke, an assistant high school principal from Phoenix, talked with a colleague as they shuffled down the loading bridge into the plane. Without hesitation, Alyson shut off the car. He tossed his camera bag on the window seat, took a blanket and pillow from the overhead bin and stayed right where he was.
