China

Ships stopped there not only to restock on food, water and fuel, but also to buy cinnamon and other spices. Many analysts and officials are today referring to the broader region as the Indo-Pacific or Indo-Asia-Pacific: The way policy makers define and imagine regions can affect, among other things, the allocation of resources and high level attention.

Sri Lanka Exports

Conclusion While acknowledging the strategic position of the island in the Indian Ocean Region, small states such as Sri Lanka have to be aware of the geopolitical implications resulting in complications that require foreign policy adjustments. The United States' fight against Al Qaeda, the Islamic State, and its related military involvement in Iraq and Afghanistan, has also increased the strategic importance of the region for the United States.

India

.

Here's how Climate Change will impact you

The 2017 report also stated that China's maritime emphasis and attention to missions guarding its overseas interests have increasingly propelled the PLA beyond China's borders and its immediate periphery. What implications does Sino-Indian rivalry in the IOR have for U. Sri Lanka was followed by the Maldives and Indonesia.

Sri Lanka Exports

Understanding and effectively managing this evolving security dynamic may be crucial to preserving regional stability and U. In 2010 Chief coordinator got arrested under National security act for his reported statement that he would attack the Sri Lankan students if the killing of Tamil

fishermen continued by the Sri Lankan navy. This may present an opportunity for enhanced security collaboration particularly with like-minded democracies such as the United States, India, Australia and Japan.

Events

Robert Blackwill and Jennifer Harris, *War by Other Means: Geoeconomics and Statecraft* Cambridge: Harvard University Press, 2016 , p. In capacity terms also, no country is capable of handling the maritime security threats and challenges in isolation, no matter how advanced and developed it might be.

Daily Mirror

In 2016, India had the world's fifth largest defense expenditure after the U.
