Huguenots

. It was now stated that a Protestant conspiracy had been discovered, and happily crushed in time by a prompt effort in self-defence. But the Huguenots quickly restrained themselves, for the same reason which, as we shall see, drove the Catholics of the League to the extremity of violence and tyrannicide.

Huguenot

However, it is believed to have been a sign of recognition among the French Protestants as early as the 17th century. The result would be something over two thousand. It was on an ethical issue that the separation took place, but it necessarily involved political consequences of a definite kind.

Huguenots in the 1600's

What Did The Huguenots Believe? The origin of the name is uncertain, but it appears to have come from the word aignos, derived from the German Eidgenossen confederates bound together by oath, which used to describe, between 1520 and 1524, the patriots of hostile to the duke of.

Huguenots in the 1600's

This policy made official the persecution already enforced since the created in 1681 by the king in order to intimidate Huguenots into to Catholicism. Jeanne responded by expanding more religious liberty for Huguenots. Eventually approximately 175 Huguenots settled at the Cape of Good Hope between 1688 and 1689 as part of the official colonisation of the Dutch East India Company.

Who Were the Huguenots? What Is Their History?

This long obliteration protracted the struggle in the Netherlands, led to the fall of Mary Stuart, and assisted the triumphant rise and growth of England in the middle years of Elizabeth. Huguenot Name Meaning The origin of the name Huguenot is not known.

Who Were The Huguenots

A long struggle awaited him before he prevailed against the League, the armed citizens of Paris, the Pope, and the King of Spain. France became united and a decade of peace followed.

Who Were the French Huguenots?
