Indeed, the final institutional choice represented in Figure 2 a, b , despite having brought integration forward, differs quite substantially from the majority of designs and plans for Eurozone presented during the crisis years, thus falling short of many policy-makers expectations. But on the other hand, as we have been happy to note in the goals assigned to the International Womens Year, it is also a question of ensuring concretely the full integration of women in the global effort for development and of recognizing and encouraging their contribution to the strengthening of peace. Chou Ying, Tang Yin, Chen Hung-shou, and other masters of the everyday genre created pictures that illustrated ancient legends and poems in the fine and detailed kung-pi graphic style.
