## Destiny Tips and Advice

These clutter our subreddit and fall under the category of spam as they do not do anything to incentivize or promote discussion.

### Super Good Advice

Make sure to check your gear each time you level up and see if there are pieces that are outdated and need replacing. Or use a Recovery build if you keep dying in the game.

### Destiny 2 Coup De Grace mission bugged

The higher the Cryptarch's level, the better the items he will blind offer you. The freewheeling 5 Destiny number pushes you toward a mission of adaptability, progress, freedom, and embracing the adventure of life. Regarding other statistics, impact is similar to that of the auto rifle, while overall stability is markedly low.

### Destiny Wiki

An 8 Destiny number is calling for you to gain self-mastery in a profound way.

### Destiny 2: 10 Tips To Becoming The Most Powerful Warlock In The Game

These are actually used to charge up your special ability, which means your allies will now get theirs much quicker thanks to you using yours.

### Super Good Advice

Lunafaction Boots improve all Rifts by automatically reloading the weapons of friendly Guardians standing inside of them, while also granting empowering rifts the ability to make all guns more effective at long ranges. The most important thing is balancing your loadout: for example, if you're using a scout rifle, try pairing it with a shotgun or fusion rifle so you can compete at long and short ranges.
