Clinical Approaches to the Mentally Disordered Offender

For example, it would not be appropriate to authorise a Conditional Caution in circumstances where no further action or another form of diversion is available. If the judge finds the defendant to be fit to plead, then the trial proceeds. This is catered for in the new standard forms which are available from the Ministry of Justice forms site.

New guidance provided for sentencing offenders with mental disorders

They can do this by making reasonable adjustments.

Clinical Approaches to the Mentally Disordered Offender

The precise way in which a case may be disposed of in the Crown Court may vary according to circumstances, and be subject to discussions between the relevant parties.

Clinical Approaches to the Mentally Disordered Offender

The Code provides at 4.

Care of the Mentally Disordered Offender in the Community

Prosecutors will consider whether any other material is available or could be available in support of it.

Offenders Deviants Or Patients Fourth Edition Explorations In Clinical Criminology PDF Book

Remand for treatment Mental Health Act 1983 contains the provisions for an accused to be remanded to hospital for treatment, pending trial or sentence. Best practice will be to arrange for the patient to attend for the proceedings to be finalised at a subsequent hearing.
