Ideology and Christianity in Japan

The punishments of Heaven, the Buddha, the gods and of man must all be visited upon them. The illumination of discernment rationalis is in the middle.

Masaoka Shiki and his haiku poems in English and Japanese

The Fukan we see in Haiyaso appears to be a reconstruction of Habian, a fabrication to fit that rhetorical imperative. In the early eighteenth century when Hakuseki was writing these texts, the Christian West was clearly not perceived as a territorial threat to either the Japanese, Chinese or Korean states, as it had been portrayed at least in relation to Japan in some Japanese texts of the early seventeenth century.

Masaoka Shiki and his haiku poems in English and Japanese

This is what they take as the object of reverence and salvation in their religion! Japan — History — Meiji period, 1868—1912.

Sekai Saikyou no Kouei: Meikyukoku no Shinjin Tansakusha (Title)

Kengiroku was immediately sealed by the shogunate because it contained reference to Christian doctrine, and never saw the light of day in the Tokugawa period.
