Globalization and the Emergence of Cosmopolitan Memories

When even an online search of 'Tiananmen' is enough to warrant a crackdown, it's clear that despite the government's best efforts, the name continues to hold a kind of emblematic power. Ceausescu and his family and cronies exercised total control of state media, and there were few if any independent media outlets available, Timisoara was within range of radio and television stations in Italy, Hungary, and Yugoslavia, so the people there had access to the news that the Communist countries of eastern Europe were coming apart at the seams. Ethics of Memory Memory Boosting, Memory Suppression The President's Council on Bioethics, charged with making recommendations on such matters as reproductive cloning and stem-cell research, has also considered ethical implications of the pharmaceutical revolution as it relates to memory: Should we develop drugs that would enhance memory in normal individuals? The exhibit presented a number of examples, from the Confessions of St.

Challenges To Our Democracy And The Need To Preserve Human Rights

Organizational theory got swept aside in the enthusiasm for depth-of-processing, but there's a big difference between elaborative and organizational activity, and these people are really good at organizing their memories.

Olick, Jeffrey K. 1964

Pursued by the invaders who killed prisoners on the spot, Chinese soldiers, accompanied by civilian refugees, retreated through villages and towns along the Yangtze River toward the walled-city of Nanking. Finally, the recommendations issued by commissions can contribute to the prevention of future wrongdoing.

Olick, Jeffrey K. 1964

Now the Chinese government is seeking to exert the same sort of control over how China's history is seen in the rest of the world. The de-territorialization of Holocaust discourse from a unique symbol of Nazi evil to the representative case for supranational moral universalism clearly demonstrated that, since the 1990s, the Holocaust has been reconfigured as a decontextualized event. Source: Wikipedia If we want to discover the deepest roots and the fundamental trajectory of a pacified Europe, we must accept the general approach according to which Europe today is

an unfinished project under political construction.

Topics in Personal and Collective Memory

These mementos are literally retrieval cues, prompts that help us to remember some event.

Remembering to Forget: Holocaust Memory Through the Camera's Eye

And there are reasons to think that diaries, too, can distort the historical record -- even though they're nominally intended to be an accurate record of the writer's thoughts, feelings, and actions. This entry treats the topic of reconciliation in a manner that respects its significance across moral viz.

Journalistic Uses of Collective Memory

There had been controversy in the Old South over such proposals before, but in the wake of Charleston and Charlottesville, the issue took on new urgency. It can counter certain forms of denial Zalaquett 1995, Dyzenhaus 2000 and help combat the social structures that cultivate ignorance among more privileged populations Regan 2010, Steyn 2012.

Remembering to Forget: Holocaust Memory Through the Camera's Eye

The Indian Rope Trick In the Indian Rope Trick, a fakir tosses a ball of twine into the air; a small boy climbs the extended rope, and then disappears into thin air. It is related to false memory, obviously, but is typically observed in the amnesic syndrome and other neurological conditions.
