Thus, the Self is portrayed as a gamester who points the direction to daylight existence and the moonlit realm, simultaneously. But now we had taken it over.

Critique of Individuation

These mythical battles are really symbolic expressions of the inner battles that we all experience. If and when 'an individual makes an attempt to see their shadow, they become aware of and often ashamed of those qualities and impulses denied in oneself but can plainly see in others - such things as egotism, mental laziness, and sloppiness; unreal fantasies, schemes, and
