**IHB: Samuel M. Ralston**

A few politicians—notably, 1924 presidential candidates John W. That meant individuals who genuinely wanted to be Americans in the fullest sense, who could blend in with the existing stock, and who could contribute in a positive way to society.

**Calvin Coolidge**

Indianapolis News, November 2, 1920, 13, accessed Newspapers. He proclaimed restrictions southern states had placed on voting constitutional and suggested that the Fifteenth Amendment had been a mistake.

**Swanwick, Anna (1813**

There he felt that he was on some portion, at least, of the ground of common citizenship; that he left most of the galling limitations on the outside. The measure, known as the Shively-Spencer public utilities act, redefined utilities as being both publicly and privately owned and thus rightly regulated by citizens through their government.

**Crisis theory**

Lewis had also preceded Coolidge someplace else. Rosa Luxemburg lectured on the 'History of Theories of Economic Crises' at the SPD's Party School in Berlin possibly in 1911, since the typescript includes a reference to statistics from 1911. His system required that an order exist among possibilities, an order that allowed for novelty in the world and provided an aim to all entities.

**Michael Swanwick**

New Delhi, India: Atlantic Publishers and Distributors.

### **Library of the U.S. Courts Seventh Circuit**

The IHB has partnered with Re-Imagining Migration to supply original historical research and primary sources from Indiana State Library collections to create free virtual lesson plans.

### **The Ku Klux Klan in Calvin Coolidge's America**

If you would like to see my sources for this episode, visit [blog](#). These discs could then be exchanged for corn, and the corn producers could then exchange the disc for a head of cattle at a later date.
