These are the essential starting point for any discussion of the birth and development of the 'classic' and classical Parisian hôtel.

A Renaissance Timeline With Major Events

Donatello was able to be so experimental, because he had the support and protection of the Medici family, a wealthy and influential banking family that operated as the de facto rulers of Florence and who saw themselves as great patrons of the arts. Au tresorier de l'esparne ca.

The Renaissance

Literally, it seems as though you relied on the video to make your point. These performances were the work of amateur actors, school boys or students of the Universities and the Inns of Court, and were often given in honour of the visits of royal persons or ambassadors. The addition of the suffix 'des Ursins' to the family name of Jouvenal came about in the early fifteenth century as a deliberate and bogus attempt to link the Jouvenals with one of the oldest families of Rome, the Orsini.
