Draft Local Plan 2016

Thank you to everyone who took the time to respond. .

Policies map

A ; was prepared setting out the key highlights of the Preferred Options consultation document 2017. Feedback from this consultation and research informed the Stage 2 preferred options for the Sites and Policies Plan and the Proposals Map.

Local Plan Proposals Maps

It is proposed that this will be achieved by allocating specific locations for student accommodation and capping the amount that can be built in those areas. Through the draft Local Plan, Bristol is taking a proactive approach to its acute housing need, as it currently occupies the 11th place in , in relation to the cost of property in comparison to earnings.

Local Plan 2013

Some areas have , which include other policies for deciding planning applications.

Draft Local Plan 2016

The council also proposed three additional detailed planning policies and some changes to the industrial estate boundaries and potential tram routes. The review of the local plan is continuing. Importantly, the plan makes a link with affordability and its links with the sector, both in that it acknowledges the fact that the sector can contribute to lower cost options, but also in that homes delivered by the route will be exempt from meeting affordable housing requirements, as set out in its Joint Spatial Plan Policy 3.

Draft city policies & sites document

Public consultation on the draft Local Plan launches today Dover District Council today 20 January 2021 publishes the first draft — the so-called

Regulation 18 draft — of its new Local Plan setting out the vision and framework for development in the district to 2040.

Local Plan proposes specific locations for student accommodation

This set out a revised vision of how the council would like the district to look in 2033.

Policies map

It also shows sites allocated for specific developments. We have now submitted the Mansfield District Local Plan 2013-2033. That document will become the statutory planning document development plan for the district and be used to guide decisions on planning applications and support our proposals for investment and regeneration.
