John Wolfe published Pietro Aretino under false imprint, inventing fictional places of publication, and his printings of Machiavelli, suppressed in Italy and not generally available in translation, were highly successful. Blending traditional and current ideas, the authors offer an extended reference to the lifeways of early humans in the Americas, accented by a series of unique insights on their origins and adaptations. The announced authors did not in fact all contribute.

But after the institution of the Index librorum prohibitorum and the drastic curtailment of the book trade in Italy that followed the decrees of the Council of Trent, it did become increasingly difficult for Englishmen to procure the Italian authors and unexpurgated editions they wanted. Volume 4, Popular Tales 1844, had translation of fairy tales by Friedrich de la Motte Fouque, Wilhelm Hauff and Karl Spindler.
