The uncompleted bus interchange became service areas for the tenants of Paradise Forum. Finally a spacious lower ground floor, which is extended until the edge of the train tunnel, reaches out into Centenary Square. Boulton and Watt manufactured the screw engines for and the archive includes a portfolio of 13 albumen prints by documenting the construction of the Great Eastern, including a rare variant of the Brunel

portrait of 1857.

### **Library of Birmingham in West Midlands, England, United Kingdom**

In February 2011 the library received a 5-year after an application from Birmingham City Council, which meant it could not be protected from demolition until 2016. We want to restore the original auditorium and foyer and improve the façade by deep cleaning it and replacing the glass with high performance glazing. The Paradise Circus site was sold by the Council in 1998 to , this spelt an end to the Central Library.
