Jews were allowed to return 16 years later. So, if this is a war, it is not only a war against masterminds whose record in radical Islam could be tracked by intelligence, but also against individuals acting after short-term cycles of indoctrination and little training, using available means. French police arrest several suspected Islamic guerrillas and confiscate bomb-making materials.

## **North African Women Immigrants in France: Integration and Change on JSTOR**

During the presidential election in France, politicians pushing law and order picked on people from poor housing estates as troublemakers, prompting protest votes and abstentions. The large number of mixed marriages shows that 8. From above, this estate seems a 1960s Utopia, its labyrinth of little housing blocks, tiny squares, lawns and giant sculptures almost poetic.
