ASHINOKO ICHINOYU \$115 (\$262)

Honami was described in the books to have a long, light pink hair which travels down in length to her waist. In that regard, Honami would placed more emphasis on saving her own classmates and the first-year students foremost rather than winning the exam for the benefit of her class.

Sengokuhara Shinanoki Ichinoyu. Hakone, Japan

Afterwards, Honami called for Kiyotaka to meet her outside of the school where she explained that she needed his help, as she believed someone might ask her out, to his confusion.

Myokyo

Modifications of bookings must be made at least 2 days prior to the date of arrival. .

Ryo Shihono

The ordination took place at on 22 July at the invitation of the Abbot.
